NOTICE OF PUBLIC WORKSHOP

The City of Dorris City Council will hold a Public Workshop on Monday, December 5, 2022, at 6:00 p.m. in the City of Dorris Council Chambers, 307 S. Main Street, Dorris, California on the following item:

CITY OF DORRIS HOUSING ELEMENT UPDATE

The City of Dorris is hosting a public workshop to discuss a proposed update of the City's Housing Element. The Housing Element is a policy document used by the City to address its future housing needs, including affordable housing for lower income households. The Housing Element describes housing needs and sets forth goals and implementation programs intended to address these housing needs. The document is an expression of local commitment to act in a progressive fashion to utilize the public and private resources of the City in response to the challenge of providing decent and affordable housing in a pleasant environment for all residents. The Housing Element was last updated in September 2014. An adopted Housing Element consistent with state requirements is necessary to qualify for Community Development Block Grant programs, which the City has been using for years to aid in the rehabilitation of local housing. More information about the City of Dorris' Housing Element update, including a community survey, can be found at <https://www.siskiyou-housing.com/dorris/>.

If you plan on attending the public workshop and need a special accommodation because of a sensory or mobility impairment/disability, or would like more information, please contact Melissa High, City Administrator, Dorris City Hall, 307 S. Main Street, Dorris, California 96023, or by telephoning (530) 397-3511.

The City of Dorris promotes fair housing and makes all programs available to lower- and moderate-income households regardless of age, race, color, religion, sex, national origin, sexual preference, marital status, or handicap.

Melissa High
City Administrator
